He knows how pissed everybody is too. He can't see his supporters really acting like an angry mob at the rally in Georgia when the two candidates took the stage. Trump knows what we're all hoping for and he knows why people are showing up on the 6th.

16 ▼ **Want to help promote the 6th and get more people to come to DC?**

Check out this sticker design I just posted:

✂️ America Will Not Be "Reset" - America Will Be REBORN 🇺🇸 - 1776 Will Commence Again! January 6th, Washington, DC - "Be There, Will Be Wild." (GRAPHIC TO MAKE STICKERS TO SPREAD THE WORD! Plaster These Everywhere!!!) 🗽 👁👁

<https://thedonald.win/p/11RNY6d3DU/-america-will-not-be-reset--amer/c/>

Spread these FAR AND WIDE!!!

The more people there, the "WILDER" it will be! 🍻🍻🍻😎😎😎👍👍👍

12 ▼ Trump knows that after the 6th, his Twitter account may find itself permanently banned. He knows communication lines may be down. Possibly the internet could go out.

So he's going to spread the message using a microphone and loud speakers to his base!

▼ A good plan violently executed right now is far better than a perfect plan executed next week.
It is foolish and wrong to mourn the men who died. Rather we should thank God that such men lived.

May God have mercy upon my enemies, because I won't.

The object of war is not to die for your country but to make the other bastard die for his.

Take calculated risks. That is quite different from being rash.

win be aggressive towards patriots. Except that I mind hates the police and attacks them all the time. Is there a way that we can triangulate Antifa/BLM and the police, keep them busy with attacking each other (in Minecraft) so they both leave us in peace? Some sort of manipulation tactic.

you come for placating memes and blind faith "assurance" that all is well? That's what all these memes seem to be. People thinking there's some "can't fail" plan and that 10s of 1000s of people showing up in DC will make a shit's worth of difference to the Congress and Senate who will take every measure to ensure we lose and Biden wins. You're not convincing anyone who hasn't already said they will fight for Trump. If they intend on selling out and letting Biden win, even all 74M Trump supporters showing up won't change that.
